1) Next Steps to be followed on Arrival in Doha:

- You do not require to carry a copy of this STPC Confirmation Receipt for claiming the Hotel Accommodation in Doha. You just need to present yourself at the 'Transfer Desk Counter' which is located in the Transfer Area of Hamad International Airport and the attending airline staff will retrieve your booking details directly from the airline's system and facilitate the next steps.
- The Airline Representative will then provide you a Hotel Voucher (aka STPC Voucher) which will contain the hotel's name and your travel details, which will need to be presented at the hotel to claim the service

2) During the layover in Doha, you will be provided with the following:

a) Hotel Accommodation:

Based on the room availability situation, your accommodation can be provided either at, 'The Airport Hotel' (which is located in the transit premises of Hamad International Airport-Doha) or it could be at any one of our accredited hotels in Doha City. Therefore, for your comfort and convenience, please refer to the special guidelines below for the Airport Hotel and the City Hotel.

b) Meal Allowance:

- If your transit stay (from the scheduled time of the arrival flight to the scheduled time of the departure flight) is greater than 11 hours at Doha, a monetary value will be printed on your STPC Voucher.
- You can accordingly present the STPC voucher at the hotel and claim any meal (s)

to the effect of the given value

- iii. If any meal is ordered/consumed in excess of the value given on the STPC Voucher, the variance will have to be paid directly by the guest.
- iv. The Meal Allowance is non-refundable and non-transferable (if it has not been utilized for claiming meals).

3) Special Guidelines - Applicable only when you are accommodated at 'The Airport Hotel' in Doha:

- a) On Arrival in Doha - once you collect the STPC voucher from the 'Transfer Desk Counter', our staff will guide you towards the Airport Hotel which is located in the Transit Premises of Hamad International Airport.
- b) For your onward flight ex Doha - the boarding process will start 60 minutes prior departure and the boarding gate will close 20 mins prior to departure therefore in order to report for the flight on time, we recommend you to check-out from the hotel latest by 1:30 hrs (i.e. 90 minutes) prior to the departure time of your flight.

4) Special Guidelines - Applicable only when you are accommodated at a City Hotel in Doha:

- a) You will require an Instant Transit Visa which will be sponsored by the airline. However, the visa clearance will be subject to the instant approval from Doha Immigration (after your arrival in Doha). Therefore, once you collect the STPC voucher from the 'Transfer Desk Counter' of the airline, you will need to proceed to the Immigration Counters and present the STPC Voucher along with your passport for the instant visa clearance*.
- b) The 'Instant Transit Visas' for STPC are only provided to customers holding Permanent Passports. Such Visas are not approved by Immigration for customers holding 'Temporary Passports' or 'Temporary Travel Documents' and in such circumstances, this STPC confirmation will become invalid or withdrawn.
- c) You will be provided complimentary 'Airport-Hotel-Airport' transfers in Doha. See key points below:
 - i. For Airport to Hotel Transfer - the hotel representative will be waiting for you near the Arrival Exit or next to the 'Information Desk' which is located after the Customs Clearance Area.
 - ii. For the Hotel to Airport Transfer - Reporting time at the Airport is 3 hours prior to the departure time for USA bound flights and 2 hours prior to for all other destinations.

5) General Guidelines - Applicable for all STPC Customers:

- a) Your baggage will be through-checked in to your final destination. Therefore, we recommend that anything you may need during your transit stay in Doha, such as medication etc. should be placed in your cabin baggage or hand luggage.
- b) This STPC Confirmation Receipt is specifically applicable for the above-mentioned travel details. This confirmation will become invalid and the STPC booking will stand cancelled if the PNR/Flight no./ Travel Dates/Flight timings etc. are collectively or individually different from the travel details as mentioned in this document.
- c) After the arrival of your flight in Doha, you are required to collect the STPC Voucher from the Transfer Desk within 2 hrs. If you fail to report to the Transfer Desk within 2 hrs then this STPC Confirmation will stand cancelled. However, if you report at the Transfer Desk after 2 hrs of arrival in Doha then it does not refute your eligibility for STPC but instead the attending airline staff will simply create a fresh STPC booking for you on the spur of the moment as per the dynamic room availability at the hotels.
- d) The Hotel Accommodation is provided only when the connection time is between 8 and 24 hours at Doha. If there is a change in the Flight Schedule (either triggered by the airline or by the guest) and the new connection time in Doha becomes less than 8 hours or more than 24 hours then the existing STPC Confirmation will automatically

stand withdrawn and become invalid.
